#### Consent for Treatment

I hereby authorize the doctor or designated staff to take x-rays,study models, photos, and other diagnostic aids deemed appropriate by the doctor to make a thorough diagnosis of the dental needs of:  
 (patient name) \_\_\_\_\_.

Upon such diagnosis, I authorize the doctor to perform all recommended treatment mutually agreed upon by me and to employ such assistance as required to provide proper care. I agree to the use of dental anesthetics, sedatives, and other medication as necessary. I fully understand that using these drugs embodies certain risks (adverse reaction, nerve or muscular damage, bleeding, infection, etc.). I understand that the results/outcome of dental treatment is influenced by factors outside of the doctor's control and that more extensive treatment could ultimately be required. I give consent to the doctor or designated staff to use and disclose any oral, written, or electronic health records that are individually identifiable as mine for the purpose of carrying out my treatment, payment and health care operations. I understand that a notice fully outlining the protection of my personal health information is available.
